Appendix A: Non-Respondent Entities

The Official Code of Georgia Annotated, Section 50-20-5 requires that "state organizations entering into agreements with nonprofit organizations shall report to the state auditor all such agreements and shall provide each individual nonprofit organization's name, fiscal year end, contract amount, and other information as required by the state auditor." State organizations are defined to include "all departments, boards, bureaus, commissions, authorities and other such organizations whose financial activities and balances are included within the State of Georgia Comprehensive Annual Financial Report".

In accordance with the above Code section, a memorandum dated June 9, 2014, was sent to all agency heads and chief financial officers providing instructions on contract data submission. This memorandum also specified that state departments with administratively attached agencies should ensure that such agencies comply with the submission requirements (O.C.G.A. §50-4-3 requires that departments to which an agency is assigned for administrative purposes only shall "provide record keeping, reporting and related administrative and clerical functions for the agency").
